IF THE FILING PARTY IS A PROVIDER: Set forth your position regarding the claim(s)

1. Describe with all appropriate technical detail the basis for and amount of payment you believe you should have received for these services.

2. Provide specific references to the contract, provider manual and other supporting documentation to support your position. Provide all referenced materials.

3. State your understanding of the basis for the claim calculation and payment made by the Health Plan. Provide your rebuttal argument against the Health Plan's calculation.

IF THE FILING PARTY IS A HEALTH PLAN: Set forth your position regarding the claim(s)

1. Describe with all the appropriate technical detail the basis for the determination that an overpayment was made for these services and the amount of that overpayment.

2. Provide specific references to the contract, provider manual and other supporting documentation to support your position. Provide all referenced materials.

3. State your understanding of the basis for the claim calculation made by the Provider in denying that an overpayment was made. Provide your rebuttal argument against the Provider's calculation.
